Dear Parents,

Subject: **Information regarding Class VIII**

Greetings from the Convent. I am writing to you about a decision taken recently by our Management, regarding our current Class VIII. After several meetings and serious study of the matter, we have decided that it will be best for Class VIII to begin the Class IX syllabus now that the Mid Term Examination is over. The plan is to start the new classes on Tuesday November 15th. Class VIII will become Pre-Class IX for the rest of this academic year.

We have found that our students find the jump from Class VIII studies into IX, quite difficult. So we thought it better to ease them into the work of Class IX in the final term of Class VIII. The Final Term Examination, to be held, God willing in next March, will be based on the new syllabus, which will be sent to you by next week. We rely on your full cooperation for this plan to work successfully, for the good of our girls. I have asked them to purchase their books this week, so that all are ready for serious work from the 15th.

If there is anything you wish to discuss or enquire about, I am in the office daily in the morning and at the end of the school day. Please feel free to come about anything that concerns the betterment of your daughter's performance or the working of the school. We want only the best for our students.

I assure you of the prayers of the Sisters for you and your family and ask that you remember us in your good prayers too.

Yours sincerely,

Sr. Marie – Cecile R.J.M
