Dear Parents,

Greetings and good wishes to you from all of us at CJM. Today the children are completing their examination of the Final Term. You will be happy to know that they have done their papers well and I thank you for taking trouble to supervise all their preparation. Now they deserve a break after so much hard study and we will close school from Monday to Wednesday. So, including the weekend, they will be getting five days off. We would like them back in school on Thursday 16th. The timings will remain the same as they have been during the examinations, with a small change. The Prep will give over at 12.45 pm and the rest of the school at 1.00 pm.

We will be giving out the results on Monday 20th, which will be a normal school day. We plan to start the new Academic Year on Tuesday 21st, so as not to waste any time commencing the work of the First Term, so that we can complete a good amount of work by May 31st, God willing. The children can buy their books during the week.

Cultural Day will be celebrated on Friday March 17th, so please see that your daughter participates fully. This is the time we can have extra-curricular activities, so all should come to school to have a happy time together.

There will be a raise in school fees in April, simply because we cannot manage to meet all the expenses anymore. Inflation has hit everyone and everything, including us at CJM. Our Staff needs a raise in their salaries and the running costs of the schools are not manageable at our current rate of income.

With the holy month of Ramzaan starting next week, I wish you all God's blessings and assure you of a remembrance in our prayers. May the Almighty be pleased to grant all your prayers, keep you and your family in good health and grant that our children study well and be successful in the year ahead.

Thanking you for your cooperation at all times, I remain,

Yours sincerely,

Sr. Marie-Cecile RJM
Principal
