Dear Parents,

Greetings and all good wishes. I hope you and your families are keeping well in these days of a serious fifth wave of the Omicron virus. May the Almighty preserve all from sickness and grant the gift of good health.

I am writing to you about matters concerning the Final Term, which started this month. You are already aware that this academic year started in August. This year, I would like to start the new academic year in the first week of April, for several reasons. First, we would like to have a complete year's work from April to April, God willing. Secondly, we have completed the syllabus, and we do not see the necessity of prolonging revision in the present classes. Also, the holy month of Ramzaan will commence about the 3rd or 4th of April, during which time we can slowly begin the new syllabus. And lastly, if we start the new classes in April, then our children will have some concrete work to continue with during their summer holidays.

You will receive the Final Term's Examination date sheet very soon, so that preparation for the papers can start immediately and without stress. We plan to start the Oral Examinations by the middle of February, Classes IX & X will have their Pre-Board Examination also in March. It seems that class X's Board papers have been fixed to start on May 10th. We have no news yet about class IX.

If you have any questions about anything I am available daily in the office from 08:15 – 09: 30 a.m. and then from 12:30 to 01:30 p.m. You can of course, always phone the school Secretary for information or clarifications.

This is a soft reminder to kindly have all fees paid up to date before the Examinations begin. Thank you for your cooperation at all times and assuring you of a remembrance in our prayers.

Yours sincerely,

Sr. Marie – Cecile R.J.M
Principal
