

Date: 04-07-2022

Dear Staff,

I hope all of you are well and enjoying your summer break. I am sure that many of you are aware that several schools continued working till June 15th. I always prefer that the teachers have a break first and then come back earlier to prepare for the new session. So, in view of the above, school will re-start for the Staff on **Monday August 01st.**

During the two weeks, refresher courses will be held, English classes, the Character Education Course which was followed from Spain will be done with everyone and, of course, the final preparations in your classrooms will be completed.

So, please do not make any plans for the month of August. All schools have given eight weeks off for their Staff. Continue to enjoy your holidays. I hope you are doing some activities for self improvement as a teacher, which will be beneficial for your students on your return. God bless you.

Yours sincerely,

Sister Marie-Cecile RJM
Principal
