04<sup>th</sup> September 2022

Dear Parents,

Greetings and all good wishes to you. I had intended writing to you earlier regarding the current sad situation resulting from the unprecedented floods in our country, but before doing so, last Monday August 29<sup>th</sup>, I announced at morning assembly that we would have a flood relief campaign in school. Now, instead of writing to you to ask for your help and support through your children, I am writing to thank you for your immediate, generous response to my verbal appeal. From Monday till Friday of last week, our pupils donated generously in cash and in kind. It has been heart-moving to see their interest and eagerness to help and to do it quickly.

This week we hope to have enough to fill a truck and send it to the most needy and desperate families. For the present, we are working with the Executive Committee of the Past Pupils' Association to get the supplies to the flood victims. You will be kept informed.

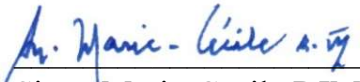

May Almighty God have mercy on our country and on all of us. May all the aid being given, reach the most deserving as soon as possible. And, above all, may there be no more significant rain this month. so that the land can dry out and the farmers can prepare for the wheat harvest.

You will be pleased to know that there is a good atmosphere of work going on in the school and the children are doing well in their assessment tests. God willing the Mid-Year Examinations will be held in November as scheduled. You will be given all details next month.

Almighty God also blessed the school with excellent Matriculation Results this year. Waasila Asif came first with 1077 marks. Several others were close behind! I thank you for your cooperation at all times so that together we can do the best for your children.

Be assured that the Sisters and I keep you and your families in our daily prayers, remembering especially any who are ill.

Yours sincerely,

  
Sister Marie-Cecile RJM  
Principal
