17th. May 2023

Dear Parents.

Greetings and best wishes to you from CJM. This letter comes to bring you up to date on a few important matters concerning the school before we close for the summer months.

We will be having a PTM on the 24th and 25th. May. CJM 2 on the 24th, and CJM 1 on the 25th, respectively. All the teachers will be available from 8.30 a.m. till 12.30 p.m. because several of you have children in the different sections and you cannot be waiting here the whole day to see the teachers of the different sections at fixed timings. I would appreciate it if the early birds among you can come at 8.30 a.m. so that there is no rush at any particular time and the day can proceed smoothly. I will be available in the office if anyone wishes to see me about anything. It will be a holiday for all the children.

The purpose of this PTM is twofold. The teachers would like to meet you and bring you up to date on your child's performance after two months of work, and it is an opportunity for you to meet her teachers and ask or discuss anything you think would help to improve your daughter's performance in school. Also, if there is any deficiency that needs to be made up, it can be done during the summer months.

According to what we have heard till now, the summer vacation will commence on Thursday, June 01st. We plan to re-open, God willing, on Wednesday, August 02nd. We had planned to have extra classes for Classes IX and X till June 16th, to try and cover as much of the syllabus as possible, but the girls are not keen on the idea. They say it is too hot and they prefer to study at home. In view of their request, we will give clear homework to be completed before they return in August. Immediately on their return, we will test them on their holiday homework.

I wish you and your families all God's blessings and protection during the summer break. The school office will remain open throughout the summer, should you need anything. We assure you of a remembrance in our prayers and request you to do the same for us, and of course, we are united, especially in praying for the welfare and prosperity of our country.

Yours sincerely,

Sr. Marie-Cecile RJM
Principal
